## PROCEDING

MR. GOODMAN: Hello, Chris?

MR. BOUZY: Yep.

MR. GOODMAN: It's Jason Goodman, how are ya?

MR. BOUZY: How -- hello?

7 MR. GOODMAN: Yeah. It's Jason. I find  
8 it much easier to get to know somebody over the  
9 phone than through Twitter. I think there must be  
10 some misunderstanding going on.

11 MR. BOUZY: Oh, is there a  
12 misunderstanding going on?

13 MR. GOODMAN: I think there is. What do  
14 you know about this death of Peter Smith that you're  
15 so sure what I'm saying is incorrect?

16 MR. BOUZY: Listen, I'm not gonna get  
17 into that with you, Jason. All I can say is what  
18 you're doing is wrong, okay. When you -- when you  
19 are putting stuff online and talking about someone  
20 in a way where you're trying to present, you know,  
21 things as fact or things that are credible in a way  
22 that you think they're credible when they're not,

1 that hurts people.

2 MR. GOODMAN: But how do you know they're  
3 not credible? Let me stop you because this is  
4 evidence and facts. I've gone to the hotel room  
5 where this guy died. I have the police report, the  
6 crime scene photos. I've interviewed the manager of  
7 the Wal-Mart. He gave me surveillance video from  
8 the Wal-Mart. The local police in Rochester,  
9 Minnesota after I interviewed one of their  
10 detectives said, jeez, you have more evidence about  
11 this than we do. You gotta understand, Mr. Goodman,  
12 we're a small department, this case was closed and  
13 we're not investigating it any further.

14 So I have a lot of facts and a lot of  
15 evidence and I've been in communication with  
16 Mr. Wittes about this for years. And today was the  
17 first time he engaged to discuss it at all and he  
18 was very evasive. I'm asking him important, serious  
19 questions. Why did he support the reporting of  
20 Shane Harris. Shane Harris blatantly lied and I  
21 know that because I'm in receipt of e-mails from  
22 Peter Smith to a third party that these guys are

Page 4

1 un-aware of, and when I asked Shane Harris about it  
2 directly, he hung up the phone on me. So when I  
3 asked Ben Wittes why does he support Shane Harris'  
4 reporting and refused to look at the evidence that I  
5 have and he behaves evasively, and then you get  
6 involved in the conversation telling me about  
7 fuckery and insulting me and telling me about what I  
8 don't know about when you have no knowledge of this  
9 situation --

10 MR. BOUZY: -- okay. So --

11 MR. GOODMAN: -- you might be a brilliant  
12 guy with your bots and all your AI and your  
13 programming and RAND Corporation thinks you're  
14 great, but you don't know anything about this. Why  
15 are you insulting me and bullying me on Twitter?

16 MR. BOUZY: You're -- so you're --  
17 we're -- you're going on about the evidence that you  
18 have -- they have or may not have or whatever. I am  
19 saying to you until you have credible -- you know,  
20 what I mean credible, meaning that this was verified  
21 by some law enforcement agency or something like  
22 that. When you put that stuff -- let's -- let's say

1 you're wrong, okay.

2 MR. GOODMAN: Wrong about what? I have  
3 it. I've shown it, you're not even looking at it --

4 MR. BOUZY: -- (incomprehensible) let's  
5 say you're wrong, that you made a mistake and you  
6 put this stuff out there. Once you put that stuff  
7 out there, you cannot pull it back. They have a  
8 family. Like you have a family, everyone has a  
9 family. So you can't just put things out on the  
10 internet --

11 MR. GOODMAN: -- dude --

12 MR. BOUZY: -- and still -- and --  
13 (Cross talk.)

14 MR. GOODMAN: -- dude. Slow down, Chris.  
15 Slow down. Because I contacted Shane Harris to say,  
16 hey, I think there's something about this case that  
17 you don't know. And he refused to listen to it. So  
18 every time I've tried to present this evidence that  
19 is credible -- it's video, surveillance video from  
20 Wal-Mart, okay. The guy -- I've interviewed people  
21 at the hotel. There were four room keys issued to  
22 apparently one guy. There's this assistant,

Page 6

1 Jonathan Saffron, who Shane Harris contacted and  
2 then Saffron e-mails Smith saying Shane Harris wants  
3 you to call him, but for some reason Shane Harris  
4 says, oh, Peter Smith contacted me out of the blue.  
5 So Shane Harris is lying and I have a lot of  
6 evidence. I don't need it to be certified by some  
7 law enforcement agency. There's a lot of law  
8 enforcement agencies that hide evidence, that  
9 falsify evidence, that beat people up and break the  
10 law. Why? It's very strange to me when people  
11 decide that law enforcement provides credibility and  
12 when it doesn't. I have evidence that I've  
13 presented to these guys that Ben Wittes today says  
14 he hasn't even looked at. You haven't looked at it.  
15 You are ignorant of this evidence.

16 You might be a genius in a lot of other  
17 areas. I see that you've been programming since you  
18 were a kid. I see you've created an AI company that  
19 scans Twitter for bots. Fantastic, I'm sure you're  
20 brilliant. But you came out of the gate knowing  
21 nothing about me, knowing nothing about this case,  
22 with insults and threats. That is disgraceful.

1                   MR. BOUZY: Wait, I don't know anything  
2 about him? (Laughter.) That's not true.

3                   MR. GOODMAN: When you posted that first  
4 tweet you didn't know anything about me. Now that  
5 I'm your hobby and you've openly publicly threatened  
6 me --

7                   MR. BOUZY: -- oh. Okay. So a couple  
8 things. Number one, before I -- (laughter). This  
9 is interesting. Before I get involved in anything,  
10 before I tweet anything, I make sure that I'm not  
11 making myself look like a fool, nor am I -- nor --  
12 nor do I tweet things that are not substantiated.  
13 Meaning so what I -- when I replied to you, I  
14 already had looked you up, I already had dug in a  
15 little bit to try to dig into what, you know, you  
16 were trying to allege with -- with Ben. And I --  
17 I'm gonna -- I'm going to say this until I'm blue in  
18 the face. Whatever evidence you think you may have,  
19 and you -- and -- and I will say this, you may have  
20 evidence. But until otherwise -- what I mean is  
21 until you're able to say, okay, yo, this is -- this  
22 is credible, some other agency or whatever is able

1 to verify --

2 MR. GOODMAN: -- but why -- why is that  
3 the predicate? What -- who made you the boss of  
4 Twitter that I need to -- to meet your criteria  
5 before I question someone about why they're  
6 supporting a liar?

7 MR. BOUZY: You're -- okay. So let's say  
8 I dig into you, right? I'm just giving -- I'm  
9 giving you an example.

10 MR. GOODMAN: Yeah.

11 MR. BOUZY: This is not a -- this is not  
12 a threat. And let's say I find someone who alleges  
13 that you raped them or, you know, some other -- some  
14 other piece of evidence --

15 MR. GOODMAN: -- uh-huh.

16 MR. BOUZY: -- that seems credible to me.

17 MR. GOODMAN: Uh-huh.

18 MR. BOUZY: And I put that online.

19 MR. GOODMAN: Uh-huh.

20 MR. BOUZY: And I put that online.

21 MR. GOODMAN: Uh-huh.

22 MR. BOUZY: Then -- and let's say it's

Page 9

1 not true. And then let's say I retract it --

2 MR. GOODMAN: -- well, I will sue you for  
3 libel and slander if you do that because that is a

4 --

5 MR. BOUZY: -- of course. Of course --

6 MR. GOODMAN: -- civil tort, and I  
7 welcome Ben Wittes to do that, but guess what? He  
8 won't because that will give me access to all of his  
9 communications with these people, which he does not  
10 want.

11 Now, listen, let me calm down. 'Cuz I  
12 have no reason to be angry with you. I don't know  
13 you other than the fact that you just openly  
14 threatened me online and have basically revealed  
15 that you are gonna --

16 MR. BOUZY: -- threaten you --

17 MR. GOODMAN: -- go try to find somebody  
18 who claims I raped them. You will not find that.  
19 You will find a litany of social engineering liars  
20 who have been pursuing me for years with false  
21 claims along the lines of what you're suggesting.  
22 So I invite you to do whatever you wanna do --

Page 10

1 MR. BOUZY: -- oh, wait a second. Wait.

2 So someone suggested this? Because, you know, I  
3 just literally just made that up as --

4 MR. GOODMAN: -- people have been  
5 claiming since I have started my YouTube Channel  
6 that you say is a conspiracy theory channel where  
7 Ben Wittes has been supporting the conspiracy theory  
8 that Donald Trump is a Russian spy, a theory that  
9 has been examined for four years that Robert  
10 Mueller, the former head of the FBI, was unable to  
11 prove. That's a conspiracy theory. The things that  
12 I talk about are unsolved crimes, inadequately  
13 investigated phenomenon, and a lot of times I turn  
14 up evidence like I have in this case of Peter Smith.  
15 And people who don't want people to know the true  
16 facts of Peter Smith publish all kinds of things  
17 that you're gonna find in about five minutes.

18 They claim I'm a Mossad agent because I'm  
19 Jewish. I imagine you're not a fan of racism and  
20 people being made fun of because of the way they're  
21 born, right? I can tell you, I don't speak Hebrew,  
22 I've never been to Israel, I'm about the most

Page 11

1       secular Jew you've ever seen. But just like you  
2       don't want police to look at you or anyone to look  
3       at you and make a determination, I think it's pretty  
4       fucked up to spread lies about someone because  
5       they're Jewish, because there's a lot of people out  
6       there who hate Jewish people. And you put up, oh,  
7       yeah, Jason Goodman's Mossad and that rumor lives  
8       for years. Anyone can put out an allegation that  
9       somebody has raped somebody. Your suggestion that  
10       you're gonna go look for somebody to do that --

11                    MR. BOUZY: -- (incomprehensible) --

12                    MR. GOODMAN: -- I -- I invite you to do  
13        that. I invite you to do that, 'cuz if you and I  
14        are gonna engage --

15                    MR. BOUZY: -- (incomprehensible) --

16                    MR. GOODMAN: -- let's engage. And if  
17        you start publishing shit about me, we're gonna find  
18        out how serious your evidence is because we're gonna  
19        get into a lawsuit.

20                    MR. BOUZY: Jason, Jason. Once again,  
21        that's not what I said.

22                    MR. GOODMAN: Eh, you did.

Page 12

1 MR. BOUZY: Now -- that's not what I  
2 said.

3 MR. GOODMAN: You said you're gonna make  
4 me your hobby.

5 MR. BOUZY: Wait a second.

6 MR. GOODMAN: You said you're gonna make  
7 me your hobby and that you're --

8 MR. BOUZY: -- hold on --

9 MR. GOODMAN: -- researching me and  
10 you're gonna find somebody who's accused me of rape.

11 MR. BOUZY: That's not what I said.

12 MR. GOODMAN: Go -- go find all the  
13 information you want about me but if you get  
14 involved --

15 MR. BOUZY: -- that's not what I said --

16 MR. GOODMAN: -- in spreading lies about  
17 me --

18 MR. BOUZY: -- what I said --

19 MR. GOODMAN: -- I'm not gonna cower.

20 I'll engage in a conversation like I am right now --

21 MR. BOUZY: -- was how would -- how would  
22 you feel if I was researching you and I found

Page 13

1 something where someone alleged that you, you know,  
2 raped them or something like that.

3 MR. GOODMAN: Yeah. I would feel like  
4 it's just Saturday --

5 MR. BOUZY: -- and then I went on social  
6 media and posted that --

7 MR. GOODMAN: -- 'cuz that shit happens  
8 all day. Losers on the internet are making up  
9 nonsense about me because they jump to conclusions  
10 like you have, like this is a conspiracy theory,  
11 your evidence --

12 MR. BOUZY: -- but -- no. But okay --

13 MR. GOODMAN: -- hasn't been certified by  
14 the cops.

15 MR. BOUZY: Jason, Jason, Jason. So but  
16 you're -- you're -- you're literally making my  
17 points for me. People have alleged that you raped  
18 someone, people have alleged that you may be a part  
19 of Mossad --

20 MR. GOODMAN: -- no one has made a  
21 serious allegation that I have raped anyone.

22 MR. BOUZY: Okay. But there's -- but

Page 14

1 it's out there on the net.

2 MR. GOODMAN: People have put out lies  
3 about me of all kinds because --

4 MR. BOUZY: -- of course --

5 MR. GOODMAN: -- I am revealing evidence  
6 of crimes.

7 (The requested portion was concluded.)
